Our Learning **Nursery/Reception:**

The children have been busy learning about people who work at night and have enjoyed role playing different characters. The children will focus on healthy sleep routines this coming week.

Acorns (Years 1-2):

In maths, Year 1 are working on place value within 20 and Year 2 are looking at money.

In literacy, we have begun a unit of work on traditional tales.

In science, we have started to look at seasonal changes.

We had a great trip to CPS on Tuesday 16th to a Dance Festival where we learnt a Dragon Dance for the Chinese New Year in February.

Lower Oaks (Years 3-4)

We have started looking at "What a Waste". The children have been shocked and amazed about some of the facts we have found out.

In maths, we are learning new strategies for calculating multiplication and division. For this the children must be able to recall (i.e. $6 \times 8 = 48$ or at least skip count 8, 16, 24, 32, 40, 48 etc). Year 3 need to know their 2x, 3x 4x, 5x, 8x and 10x times tables and Year 4s need to know up to their 12x times tables with focus on 6x, 7x 8x and 9x times tables. The children have a multiplication check soon.

Upper Oaks (Years 5-6):

In maths, we have been carrying on with our fraction learning. We have looked at how to add and subtract fractions.

In English, we have been writing our recount of our welly walk focusing on using interesting vocabulary.

OOSC – Out of School Club with Angie Lunn

The children in OOSC have been busy reinventing the role play area into a wand shop complete with a variety of colourful wands and potions.

Other craft projects include bracelet making as well as bag charms and keyrings. Outside the children have been using loose parts to create an obstacle course in the garden area which has been very popular with children of all ages.

NSPCC Number Day – Friday 2nd Feb

You will be able to donate to this on Iris ParentMail and children can dress up as their favourite number, pattern or even playing card!

Animal Encounter – Tuesday 6th February

On the morning of Tuesday 6th February, Animal Encounters will be coming into the school to provide several small workshops about different types of animals and how to look after them. Please note that for nursery children who are not usually in on that day, they can attend Toddler Group with their parent in the morning.

Cooking Club

The PTFA have been looking into funding an After School Cooking Club on a Friday and this would require a small contribution, payable by parents. If you think this is something you would be interested in your child doing, then please let us know. If so, 6 sessions (1 hours 15 mins each) at £7:50 per week (including ingredients and cooked on site) will be payable to her direct – which will be two payments of £22.50.

Drumming lessons

We have recently been approached by a Drumming Teacher (who covers many other schools including Lapford), if you would be interested in your child trying drums then

please let us know. His information/charges are attached separately.

Board games

Do you have any complete unwanted board games that Mrs Pugsley could use to start a Board Game Club after school on a Monday. The club will run 3:30-4:30pm in Mrs Pugsley's room starting after half term. A letter will be sent out in due course.

Puzzles

Do you have any complete puzzles you no longer want at home? Nursery and Acorns are looking for any that are suitable please.

Welcome

We are pleased to announce that we have employed a new caretaker and cleaner – Richard Thom. Richard started with us last week and is settling into his new role well.

Thank you to Chris and Keith from the college for all their help in looking after the school since September.

Congratulations

Well done to Gabriel, Leah, Sam, Maddie, Olivia, Espen, Isla, Freya, Lincoln, Faith, Lyla, Bea, Jack, Hattie, Oscar He x 2, Maisie, Zack, Delphie, Elsie and Lucas for all completing their sticker charts!

Mathletics champions are: Sophia, Henry and Lewis.

CHULMLEIGH ACADEMY TRUST

Jon Galling (Senior Education Safeguarding Officer at DCC) back to the College to give his presentation to parents about social media safety – flyer below. He did this talk a few months ago, and it was well received. This is scheduled for 6pm on Thursday 25 April in Heywood Hall at Chulmleigh College.

This presentation is for parents only – children shouldn't attend.

me, you, us
safeguarding is everyone's responsibility

Supporting parents or carers to help their children use the internet safely

"I'm not a Police Officer, and most definitely not a Tech expert. In fact, I'm a bit like you, a parent who wants to make my child's use of the internet as safe as possible" (Jon Galling, Senior Education Safeguarding Officer for Devon County Council and deliverer of this workshop)

The session is designed not to scare or intimidate, but to reflect and review what the dangers of the online or virtual world are and how, as parents and carers we can help our children navigate the challenges they will face.

The session will help those attending to:

- Understand the risks and some ways in which these can be managed
- Understand the benefits of technology including as support for mental health and wellbeing
- Know where to go to find practical support
- Consider how to support your child navigate their 'virtual world'

Required from February 2024

Chulmleigh Academy Trust is seeking to appoint a reliable and hardworking individual to assist the Academy Kitchen Manager with the day to day running of the kitchen and food service.
