Our Learning

Nursery/Reception:

Our new topic this term is puddles and rainbows, we will be doing lots of puddle walks so please make sure your child has their wellies in school. Our story this week is Elmer, we will be doing lots of colourful crafts to create our own Elmer's.

Acorns (Years 1-2):

We have been busy learning about seasonal changes in science. We have learnt about animals during the different seasons and how the weather and day length changes. In year 1 maths, we have started our unit on addition and subtraction. In year 2, we are just starting on our multiplication and division unit of work. The children enjoyed learning how to use the jamming board on Times Tables Rockstars (TTS), they can find their login details on the cards I sent home in September. If you require a new copy, please ask. In literacy, we have started a new unit of work called 'look into space' we loved researching facts last week and look forward to our trip to Mars at Exeter Cathedral tomorrow (27th February 2024).

Lower Oaks (Years 3-4)

Lower Oaks have started a new teaching sequence for literacy on 'Where my Wellies Take Me' by Clare and Michael Morpurgo. We went on a lovely walk through the woods, exploring quarries and splashing through puddles and streams. We will be going again this week so please can the children bring a change of clothes (particularly socks- because we were quite adventurous about the puddle paddling) and their wellies so we can go when the weather is good.

In Maths, we have been learning about measuring length using millimetres, centimetres, and kilometres and how to convert between the different measurements. Next week we will be moving onto perimeter and then to fractions.

The children have all completed a Star Quiz and updated ZPD ranges in their books (this is the range they should read between). I have also added their reading age in for information on the page next to this week's spellings.

Upper Oaks (Years 5-6):

This week upper oaks have been busy learning all about the language and symbol of ratio. We then applied our new skills to ratio problems.

In English we have started looking at a text called the extraordinary journey of ordinary things. We have learnt all about the long process needed to make chocolate from the pod on the tree to the bar in the shop. We have been practicing the skills needed to write an explanation text including using brackets and adverbs of time.

OOSC – Out of School Club with Angie Lunn

The children in OOSC have been thrilled to have the opportunity to access additional play with the new scooters and bikes. Therefore, most of the OOSC sessions have started and finished on the playground with the children spending long periods of time enjoying the new equipment.

Please note that Hayley Howarth and Jade Bolt will be doing every Monday for 5 weeks while Angie Lunn is on a course.

Please can parents remember to give their child a healthy snack to bring with them.

The Bookery Visit for World Book Day – Thursday 29th Feb (World Book Day – Thursday 7th March)

We are delighted to be welcoming The Bookery to our school on Thursday 29th February (changed due to Acorns' trip) as part of our celebrations for World Book Day. Their team will bring in a selection of the

best newly published books and read extracts to the children, introducing them to new authors and new books.

They will then hold a bookfair with much reduced prices just for this event: one book for £6 or two for £10. Siblings can bring £10 to share. Please send monies in an envelope with your child's name.

We are very keen to promote a love of reading in our school as we know how important this is for children's future success and wellbeing and hope very much that you will support this event.

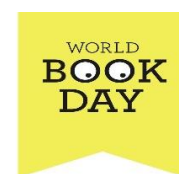

Lower Oaks' Welly Walks – Tomorrow

Mrs Pinn would like to take the Lower Oaks for another welly walk tomorrow (Tuesday) depending on the weather. However, please can the Lower Oaks bring their wellies and coats into school all week just in case.

World Book Day – Friday 7th March

The PTFA came in last week with a costume library to help any children decide on the outfit of their favourite character from a book. We look forward to seeing them all and if you choose not to dress up then children can just bring in their favourite book.

All Years 3 & 4 Netball Tournament at CC – Friday 8th March (daytime) and Selected Years 3&4 Netball Tournament at Haywards (late afternoon) - Monday 11th March

The team for the 11th March will be selected based on their participation during practices. However, the event on Friday 8th March is for all **Year 3 and 4 pupils** and they will take part at Chulmleigh College. On the 8th we will be leaving school at about 12:15 and traveling over in a minibus. The children will need to wear PE kit and bring a packed lunch.

East Worlington has Talent and Rose Nose Day – Friday 15th March

We are pleased to announce that EW has Talent is returning again this Spring. This event is open to all children from Nursery to Year 6. Do you play an instrument, have a special skill in sport or have another talent you want to show? There will be a performance on Friday 15th March in the Parish Hall during the afternoon – time TBC. We invite children to practise their talents, audition with Miss Tester on Wednesday 6th March, continue to practise and then perform on the 15th March. We know some talents cannot be demonstrated live and therefore would like to offer the opportunity to send a video of your talent to Miss Tester on

dtester@chulmleigh.devon.sch.uk by **Wednesday 6th March**. If you have any questions, please speak to Miss Tester or Mrs Pugsley.

Easter Bonnet Competition - Thursday 28th March

The children are invited to decorate an Easter Bonnet for the last day of term. There will be a prize for the best child decorated bonnet from Nursery, Acorns R-Y2, Lower and Upper Oaks.

SEND

We are thinking about offering more information sessions on special needs, similar to our Language for all with Sarah Clarke, last term – either with guest speakers or as a general catch up with other parents with children with additional needs and Mrs Pugsley. If you have any areas of need you would like to be covered, please let Mrs Pugsley know and she will see what we can organise for the summer term.

Helmets

Please can anyone donate any helmets they no longer require at home? The children are using balance bikes

and scooters now at breaktime and we only have a couple of helmets available.

Congratulations

Well done to Maddie, Espen x2, Olivia, Talayla, Isla, Alfie, Oscar, Oscar G, Hattie P, Freya, Jack, Oscar He x2, Bea, Lincoln and Ava, for all completing their sticker charts!

Mathletics champions are Leighton, Isla and Henry.
