Our Learning

Nursery:

We have started a new topic called 'Once Upon a Time'. We are enjoying sharing lots of stories in class. Our book last week was 'Cinderella' and book this week is 'Goldie Locks'. Our book next week is 'Little Red Riding Hood'. We were busy exploring a Halloween theme last week and enjoyed playing with pumpkins. We also looked at firework safety.

Acorns (Reception and Years 1-2):

We have continued with our learning about the Victorians and what life would have been like during that period. We have begun our work on addition and subtraction in maths. In science we are learning about animals, including humans and enjoyed learning about and naming body parts.

Lower Oaks (Years 3-4):

We have started a new book Friend or Foe by Michael Morpurgo which is based on the experience of 2 evacuees in WW2.

In Maths, we are learning mental and written methods for addition and subtraction. Mathletics tasks are set for our current Maths topic.

Upper Oaks (Years 5-6):

In English we have started a new text called Letters from a Lighthouse by Emma Carroll.

We have enjoyed making predictions this week.

In Maths, we are just starting to look at written multiplication.

OOSC - Out of School Club with Angie Lunn

The children in OOSC have been busy making Halloween crafts with a selection of scary pumpkins, ghostly ghouls lanterns and spooky spider pom-poms.

All of the children in OOSC were given the opportunity to enter their drawings into an exciting art competition with the possibility that their drawing would be included in a published book.

All the children that entered will receive a certificate and stickers and if parental permission is granted their artwork will be included in the finished book scheduled for publication on the 8th of January 2024.

Remembrance Service - Friday 10th November at 11am

We will be going down to the War Memorial after breaktime on Friday so please join us.

Poppies will be on sale at school this week and the Royal British Legion ask for a donation please.

Water Safety Week - Wednesday 16th November

This will be our penultimate swimming session so Oaks children will all need to bring additional clothing to wear in the water for Water Safety Week. This should be a long-sleeved t-shirt and trousers. No shorts.

Children in Need - Friday 17th November

The School Council have decided on a pyjama day and film night for the Children in Need fundraiser - we will probably be showing the film 'Elemental'. You will be able to pay on Iris ParentMail £1 to wear your pyjamas to school for the day and £2 for a drink and snack at the film night - this will be 3:30-5:30pm.

Scholastic Book Fair - Monday 20th November

We are having a Scholastic Book Fair at School on Monday 20th November. This is a

great opportunity to purchase books for Christmas presents etc. Payment is....

Existing users may already be signed up and we'll also assist.

Parental Conflict – Information for Parents

Most of us have disagreements about things in our relationships – whether this is related to putting the washing in the basket and not on the floor! spending too much time on the phone, or what to watch on TV! Not all conflict is damaging, however if those disagreements are frequent, prolonged, not resolved and not dealt with and lead to continual arguing, it can all have a negative impact on children.

Indeed, there is a growing body of evidence that shows children who witness adults shouting, arguing, ignoring each other frequently or for long periods of time, can negatively impact on their self-esteem, mental and physical health, behaviour, academic achievements and relationships with others.

Conflict in relationships can occur in all types of families: between biological parents, stepparents, foster and adoptive parents, parents and grandparents and separated and divorced parents to name just a few.

How Happy Families, Happy Futures Devon can help

We are offering **FREE** programmes which are aimed at supporting parents, both together and separated, to reduce parental conflict, develop positive communication and problem-solving skills, to manage emotions and create more positive environments for their children.

Family Transitions Triple P

* Advice and guidance to support co-parenting and to deflect the pressure of divorce or separation away from children

Within My Reach

* Help to understand and develop healthy relationships and the positive impact this can have on children

Please [click on this link to request support](#), once received someone will contact you for an initial conversation to make sure it is the right programme for you.

Are you ready for Freddy? Last week sees the release of a cinematic adaptation of Five Night's at Freddy's (FNaF) – a suspenseful series of horror games which, despite their 12+ age rating, have gained significant popularity with younger children.

With one gaming journalist describing the franchise's original entry as "hands down ... the most terrifying game I have played in my life", FNaF blends an unsettling atmosphere with jump scares and creepy characters. We encourage parents to educate themselves on this game/film.
