

DESIGN & TECHNOLOGY

Eco Design - Passive Phone Speaker

You will be designing and making a recycled materials passive speaker

Using the space below, create a mind map of the 6R's. Include for each R:

- Name
- Definition
- 2 examples

Name 5 items that households can recycle:

What recyclable items could you use for your passive phone speaker?

Sketch below 2 ideas for how a recycled materials passive phone speaker could look. Include annotation to explain your ideas
