## Sticker Charts in Nursery/Acorns

We are still using sticker charts and the following children have completed theirs this week:

Oliver  
Ava

## Star of the day in Oaks

We have had quite a few Stars of the Day already, namely:

Alfie  
Finley  
Ellie  
Lorcan  
Henry  
Isla  
Bertie  
Faith  
Jackson  
Talayla

## Nursery/Early Worlies

This week, we've been having a wonderful time settling back into routines and getting back into the swing of our Early Worlies! The children have embraced each day with excitement and curiosity.

As part of our learning, we've been exploring our school grounds and the local area to learn more about our community. One of the highlights was a visit to the nearby church – the children were fascinated and loved observing the beautiful features of the building.

To continue our focus on community, we would love for each child to bring in a picture of their family. These will be shared during show and tell sessions, helping us to celebrate the unique families that make up our class.

Please upload your family photo to Tapestry at your earliest convenience. Thank you for your continued support!

## Acorns - Reception, Year 1 & 2

What a great start to the new term all the children have had. Reception have settled well into our class, and have been busy taking part in some challenges for their baseline assessments. They have impressed us with their story telling skills this week with their new book.

Years 1 and 2 have been working hard on presentation in our books as we begin our new topic and units of work. In maths, we are working on place value within 10 for the next two weeks. This involves being able to see arrangements of items and knowing how many there are without counting them (subitising). It also includes knowing number bonds (pairs of numbers) within and up to 10 with quick recall. In English, we have started a poetry unit based on the book 'What I Like - Poems for the Very Young' we will be writing our own poems using our senses over the next two weeks.

Miss Atherton is teaching Acorns on a Monday. She will be teaching a unit of maths about shape, and will also teach the topic work about Childhood - please see the knowledge organiser for what will be covered over the term. There is a planned trip to Tiverton Museum on Thursday 16<sup>th</sup> October to take part in a Victorian School Day experience. The children can come dressed up as a Victorian child for the day, if they would like. As per last year's letter from Mrs Pinn, Miss Atherton who is Mrs Pugsley's jobsharer will be on a few Thursday mornings in addition to her Mondays, so that Mrs Pugsley can complete her Special Needs Coordination Time.

# Childhood

We can learn a lot about the past by finding out what it was like to be a child years ago and comparing that with what it is like today.

## Artefacts

An artefact is an object from the past. Museums often display historical artefacts. Artefacts can tell us about how people used to live. Everyday objects like baby bottles, clothing, toys and books can tell us about childhood in the past.

## Stages of human life

There are six stages of human life.

baby

toddler

child

teenager

adult

elderly

At each stage, people have different needs, responsibilities and lifestyles.

## Family tree

A family tree is a diagram that shows someone's family. The oldest family members are at the top of the tree and the youngest are at the bottom. Every family tree looks different because no two families are the same.

## Important life events

Important life events include birthdays, religious festivals or family celebrations. Some life events happen every year and some happen at certain stages of human life.

Birthdays happen every year.

Weddings happen when two adults get married.

Retirement happens when an elderly person leaves work.

## The 1950s

The 1950s were different from today.

There were few supermarkets in the 1950s, so shoppers had to visit many different small shops to get their shopping.

Most people listened to the radio because television was very new and there were only a few programmes.

Children played out in the street. The roads were very quiet as there were not many cars.

Many men worked in coal mines, factories and shipyards. Some women worked in the 1950s but many became housewives when they got married.

## Coronation of Elizabeth II

A coronation is a ceremony where the crown is placed on the head of the new king or queen. Elizabeth II was the Queen of the United Kingdom for 70 years until she died in 2022. The coronation ceremony of Elizabeth II took place on 2nd June 1953 at Westminster Abbey, London. Many people celebrated the coronation by holding street parties.

## Changes over time

The way people use land changes over time. For example, in the 1950s there were fewer cars, so fewer roads were needed. Today lots of people have cars, so there are many more roads for people to drive on and driveways for parking.

## Glossary

- artefact** An object from the past that tells us something about how people used to live.
- childhood** Time in a person's life when they are a child.
- housewife** An old-fashioned name for a married woman who stays at home and looks after the house and children.
- museum** A place that people can visit that contains important objects linked to history, science or art.
- past** Something that has already happened.
- present** Something that is happening now.
- today** On this day.
- Victorian** Victorian times were the years between 1837 and 1901 when Queen Victoria was Queen of the United Kingdom.

## Lower Oaks

In maths, we have been looking at place value to 10,000. To consolidate this learning the children in Lower Oaks have been set homework on Mathletics to get 500 points per week. Ideally they will achieve 1,000 and a certificate. Further homework and spelling frame will be set next week.

In literacy, we have started to look at Poetry pie and will look at different types of poetry.

Over the next two weeks we will be reading and creating poems. These include narratives, haikus and limericks. In maths, we will move onto rounding numbers and roman numerals.

We are having a real push on reading with the Oaks and expect every child to read for at least 20 minutes, five times a week at home. This is essential to ensure children keep up with their age expectations. Please support your child to find a time and space to do this and ensure that this become non-negotiable.

If your child is having difficulty finding books they enjoy please speak to your class teacher or Miss Tester.

## Upper Oaks

In maths, we have been learning about the place value of numbers to 1 million.  
In English we have started to read Kensukes Kingdom by Micheal Morpurgo. We are enjoying learning about the characters and have written our own ships log.

In science, Oaks have been learning about the solar system.

In the next 2 weeks we will be:

In maths, we will be moving onto rounding and number lines with numbers to one million.  
In English the children will be writing about what it would be like on a desert island using their survival skills in forest school to enhance their writing.

# Traders and Raiders

## Anglo-Saxons invade

During the Roman rule of Britain, tribes from Denmark and Germany attempted to invade Britain. The Romans built shore forts on the east and south coasts of England to protect themselves from invasion. After the Romans left in AD 410, three tribes called the Angles, Saxons and Jutes invaded England. They attacked and killed Britons or caused them to flee to Cornwall, Wales or Scotland. By AD 600 the invaders had claimed England as their own country and divided it into seven kingdoms. Each kingdom was ruled by an Anglo-Saxon king.

## Anglo-Saxon way of life

After the invasion, people in the south and east of England settled into the Anglo-Saxon way of life. The Anglo-Saxons lived in small villages of huts and farmed the land. They were great craftspeople who used metal, wood, clay and precious stones to make weapons, tools, pottery, furniture and jewellery. When the Anglo-Saxons arrived in Britain, they were pagans, which means they believed in different gods. Over time, most Anglo-Saxons converted to Christianity. They spoke Old English, which developed from the language spoken by the Angles, Saxons and Jutes. Few people could read and write.

## Vikings invade

The Vikings came from Denmark, Sweden and Norway. The word 'Viking' comes from the Old Norse language and means 'a pirate raid'. They first raided monasteries on the north coast of England in AD 793. Monasteries were easy targets for the Vikings, as the monks had no weapons but lots of riches. At first, the Vikings carried out violent raids, stealing precious items and burning down buildings, before returning home. However, they eventually conquered the land and took over many of the Anglo-Saxon kingdoms.

## Viking way of life

The Vikings lived in large homes, called longhouses, which they shared with their animals. Longhouses were built from wood or stone with a thatched or turf roof. Many Vikings worked as farmers, growing crops and keeping animals. The Vikings were skilled craftsmen. They made strong weapons, fast ships and beautiful metalwork and wooden carvings. They also made jewellery from metal, wood and glass. Viking women were skilled at spinning wool to weave into cloth and dyeing fabrics. The Vikings were pagans, unlike most people living in Britain at the time, who were Christians. Gradually, the Vikings became Christians to allow them to live and trade more easily with their neighbours.

## End of Anglo-Saxon rule

By AD 870, the only Anglo-Saxon kingdom left was Wessex, which was ruled from AD 871 by a wise and popular king called Alfred. The Vikings tried to invade Wessex in AD 876 and at first seemed to be succeeding but Alfred fought back. He defeated the Viking leader, Guthrum, in battle. Alfred made a deal with Guthrum to share Britain between them. However, the Anglo-Saxons and Vikings continued to fight so Alfred created an army and navy to defend Wessex from Viking troops. Other Anglo-Saxon leaders followed Alfred and their separate kingdoms started to unite. The end of Anglo-Saxon rule came in 1066 with the invasion of the Normans.

## Timeline

AD 410	The Romans leave Britain.
cAD 450	Angles, Saxons and Jutes invade England and settle on the south and east coast.
cAD 450-600	The invaders claim England as their own and divide the country into seven kingdoms.
AD 685	King Ecgfrith of Northumbria loses a fierce battle to the Scottish Picts, ending Anglo-Saxon rule in Scotland.
AD 731	Bede writes about the Anglo-Saxon invasion in the <i>Ecclesiastical History of the English People</i> .
AD 785	King Offa, the Anglo-Saxon king of Mercia, builds an earth wall to protect the border between his kingdom and the Welsh kingdom of Powys.
AD 793	Vikings attack the monastery of Lindisfarne.
AD 866	Vikings capture the city of York.
AD 870	Wessex is the only remaining Anglo-Saxon kingdom.
AD 871	Alfred of Wessex becomes king of the Anglo-Saxons.
AD 886	King Alfred agrees to share Britain with the Vikings.
AD 899	King Alfred dies in Winchester.
1066	The Normans, under William, Duke of Normandy, invade from France and defeat the Anglo-Saxon King Harold II at the Battle of Hastings. This ends the Anglo-Saxon era.

## Famous people

There were several notable people during this period. Much of what we know about the Anglo-Saxons comes from Bede's writing and the *Anglo-Saxon Chronicle*, which was ordered by King Alfred and distributed around monasteries.

### Bede

Bede was a Christian priest who lived in a monastery in Jarrow, Northumberland. He was a great scholar and wrote many books including the *Ecclesiastical History of the English People*.

### King Arthur

King Arthur was a popular king of England. He worked with his Knights of the Round Table to fight the Anglo-Saxon invaders. Historians are not sure whether King Arthur existed or not.

### Alfred the Great

King Alfred is considered to be one of the greatest Englishmen of all time. He was born in AD 849. He defended his kingdom of Wessex against the Vikings, agreed to share England with the Viking leader, Guthrum, and united Anglo-Saxon leaders.

## Music

At East Worlington we have a regular independent music teacher who is employed by Chulmleigh Academy Trust (CAT) on a casual basis and she is called Mrs Louise Craddock. Mrs Craddock teaches keyboard and violin across the Trust schools and comes to East Worlington on a Thursday, so please let us know if you would like to receive one to one lessons and we can give you a price list. She collects and returns the children to class to minimise disruption to learning.

We are also delighted to say that Chulmleigh College are kindly allowing us the use of several of their violins and Mrs Craddock is going to be doing violin workshops on a Thursday afternoon, so that all children can have a chance to try this wonderful instrument.

In the past we have had requests for guitar and drum lessons but sadly the take up hasn't been enough. Lapford Primary School also have a flute teacher that comes into their school and she is doing an Assembly at East Worlington on Monday 16<sup>th</sup> September, so that again the children can experience different instruments at no cost but with the possibility of taking up lessons if desired.

## East Worlington Primary School and Nursery PTFA

East Worlington Primary School and Nursery PTFA aims to support the school by raising funds throughout the year. This is done in various ways from Jumble Sales, a Christmas Fayre, Worly Bars at Easter and of course the famous Duck Race and Dog Show in the Summer.

If you would like to get involved we would love to hear from you - many hands make light work! You can contact us by emailing [ewptfa@yahoo.com](mailto:ewptfa@yahoo.com)

We have a supply of preloved uniform, and you can donate on Iris Parentmail.

Following the PTFA AGM last night a separate newsletter will be coming out soon to update you on the new Joint Chairs and Treasurer etc!
