*Happy
Birthday!*

Happy Birthday to Oscar F, Frank, Jackson, Oliver, Bee, William, Nora and Ted who all celebrate their birthdays in the next week or so.

Our next newsletter (fortnightly) will now be due on Monday 6th February.

Nursery/Early Worlies

This week we have been very busy exploring familiar stories and everyday routines. We enjoyed sharing *Peace at Last*, which supported our learning about routines we have at home, such as getting ready for bed and brushing our teeth. These activities helped the children begin to understand what happens throughout their day and provided lots of opportunities for communication and engagement.

In the baby room, we have been exploring different textures through sensory play. The children showed great curiosity while investigating shiny tin foil, soft scarves, and squishy play dough, enjoying the feel of the materials and developing their sensory awareness.

Next week, we will be exploring space, learning about the moon and planets, and introducing new sensory and imaginative experiences linked to this theme.

Treasure Basket Wish List – Baby Room

To support our sensory play and exploration, we would be very grateful for any donations of the following items:

- Small wooden log slices
- Wooden curtain rings
- Pinecones
- Sponges
- Paint brushes and hair brushes
- Wooden or metal spoons
- Whisks
- Measuring cups
- Egg cups
- Sieves
- Shaving brushes
- Make-up brushes
- Nail brushes
- Sea shells
- Large pebbles
- Tubes
- Wooden pegs
- CDs
- Ribbon
- Ice cube trays
- Hair rollers

Thank you for your continued support—it really helps us create rich and engaging experiences for the children.

Acorns Class/KS1

Acorns topic this half term is Flight Through Time. We have been learning about the early days of flight and the brave aviators that took to the skies. In Maths, Years 1 and 2 are learning to add and subtract, which included using their knowledge of number bonds, doubles and near doubles to help them answer questions. In English, the Reception children's work this half term is based around the story 'How to Catch a Star' and the Year 1/2 children's text is 'Little People, Big Dreams - Amelia Earhart'. We will be continuing with these areas for the next two weeks. Thank you to everyone for the support with homework, it is set on a Monday and is due in on a Friday please. Daily reading and recording this in the diary is an expectation for every child in the school. We give stickers to the children who are reading at home.

Please remember sports is on a Wednesday and Thursday afternoon. All children should come in PE kit on those days with a pair of trainers to wear in their bag, thank you.

Lower Oaks:

Lower Oaks have been learning about the relationship between multiplication and division. They have tasks set on Mathematics to help consolidate this learning. We will be moving on to start to look at the methods for short multiplication and mental methods for dividing larger numbers.

In Literacy, we have started our book on 'Escape from Pompeii' which is linked to our topic on Rocks, Relics and Rumbles. We are looking closely at the way the author conveys character and setting.

In SPAG, we have been learning about the spelling rules for plurals, possessive apostrophe for singular and plural possession. The children have been set spellings on spelling frame to reinforce this learning. We are also learning how and when to use paragraphs to clarify meaning.

Upper Oaks:

In Maths, Upper Oaks have started learning about fractions. We have been leaning about equivalent fractions and how to simplify fractions. We have also looked at improper fractions and mixed numbers and how to covert between them. We will be moving onto adding, subtracting, multiplying and dividing fractions.

In English, we have been looking at a book called 'Escape from Pompeii' by Christina Balit. In the story a young boy and girl flee Pompeii just before Mount Vesuvius erupts. We have enjoyed making story maps and doing some drama to help us learn the story. Next, we will be looking at creating atmosphere and using dialogue to move the story on.

Due to our growing nursery we now have to say that parking outside the Parish Hall is only for people with babies (0-2) and children/adults with a disability. Please remember that not all disabilities are visible.

Please can we also ask that parents do drop off/collect and leave straightaway as delays are also causing an issue.

Mrs Pinn will be monitoring this next week to ensure this goes smoothly.

Many thanks for ensuring that the safety of our children is paramount.

After School Flute Club with Mrs Pugsley		CMAc at Chulmleigh College	Mrs Craddock Keyboard lessons Mrs Craddock Violin lessons	

Music

Due to there not being enough take up for flute lessons, Mrs Pugsley has said that she will run a Flute Club after school on a Monday for the few children that signed up. This will only be for children who really are interested in learning the flute and not as an After School Club for all.

If your child has a strong inclination for learning this lovely instrument then please speak to her direct. We have a few flutes that can be borrowed free of charge for this club.

Mrs Craddock has some availability on a Thursday afternoon for either keyboard or violin lessons, sessions are available. Please mention this to your class teacher if your child is interested. Violins are free to borrow from the college.

Breakfast Club

Please do not forget to book Breakfast Club every morning as we use this for expected numbers and as a register.

Chesham College is a school with exemplary standards of behaviour, where a high level of respect underpins our academic success. All staff play an active role in promoting our learning ethos.

We are seeking to appoint two enthusiastic individuals to join our committed and experienced Learning Support team. Candidates should be tenacious and committed to supporting pupils, including those with special educational needs, whilst being an excellent team player and communicator.

We are fully committed to an inclusive learning environment, in which all pupils are valued, feel that they belong, and can achieve their potential.
