

Establishment- East Worlington Primary School

Notes to Parent / Guardians

- **Note 1:** This establishment will not give your child medicine unless you complete and sign this form and where the establishment has a policy that staff can administer medicine.
- **Note 2:** All Medicines must be in the original container as dispensed by the pharmacy, with the young persons name, its contents, the dosage and the prescribing doctor's name.. Pupils are not allowed to carry medicines on their person or in their school bags whilst within school premises.
- **Note 3:** The information is requested, in confidence, to ensure that the establishment is fully aware of the medical needs of your child. While no staff member can be compelled to give medical treatment to a young person, it is hoped that the support given through parental consent, the support of Chulmleigh Academy Trust through these guidelines and the help of the School Medical Service will encourage them to see this as part of the pastoral role. Where such arrangements fail it is the parents' responsibility to make appropriate alternative arrangements
